SELF-EXCLUSION CANCELLATION

Date:

Dear Sir/Madam,

I have previously voluntarily excluded myself from all casinos and gambling premises operated by Genting Casinos Limited and Coastbright Limited (together referred to as "Genting"). I now wish to cancel my voluntary self-exclusion from all Genting Casinos and gambling premises.

I acknowledge that my application to cancel my self-exclusion will not automatically be granted and that I will be requested to discuss my application with a Manager.

I recognise that "Genting" has fulfilled its duty of care to me in relation to this matter and that I release "Genting", its officers and employees from any liability or claims whatsoever.

I confirm that I no longer have any problem gaming issues and understand I will not be allowed to enter the gambling premises until at least 24-hours after my initial request for cancellation of my voluntary self-exclusion has expired.
